It is with great pride that The Lamp dedicates the 1990 edition of the yearbook to the approval to award Baccalaureate degrees in the following programs: Fashion and Retail Merchandising; Hotel, Travel/Tourism Administration and Early Childhood Education.

With this announcement many changes are appearing; The Barn, The Fashion Lab and The Lasell Inn. From these changes the theme for the 1990 edition of The Lamp was derived — A NEW LOOK AT LASELL.

The 1990 Yearbook Staff would like to congratulate Lasell College on this achievement, and we wish you the best of luck in the future.

Alma Mater

Firmly bound by bonds unbroken
Love for Old Lasell
Take we now a pledge outspoken
E'er guard her well.

Alma Mater, Fidelitas!
Pledge, women, for loyalty!
Sing we now before we part,
We'll ever faithful be.

Bright school days are quickly past;
Enjoy them while you may
Mem'ries still shall them outlast,
When we are far away.

Alma Mater, Fidelitas!
Pledge, women for loyalty!
Sing we now before we part
We'll ever faithful be.

The past year has been both a challenging and rewarding year for myself with the intent of creating one of the enjoyable and best editions of the The Lamp. I hope that myself and the yearbook staff have made this possible.

I would like to take this time to thank some very important people. First to everyone who helped out with the Everything that you did — big or small — helped to make the 1990 edition of The Lamp a success. To Dean Ka O'Connor for being not only our advisor, but someone who we could go see to get us out of a bind. To Christine Simps our services as our Treasurer. And lastly I would like to thank my co-editor, Stormy Heather Horton. WE DID IT! Thar being so understanding, a great friend, someone to listen to all of my problems, someone to stress out on, and not just b "co-editor". I wish you all the best of luck in the future. Take everything with a deep breath and you will be able to accor the world.

I wish the best of luck to whoever takes on the honor of producing next year's yearbook. My advice to you is to kee head held high and accomplish this task to the best of your ability — that's all anyone will ever ask of you.

I hope that everyone will enjoy this edition of The Lamp just as much as I enjoyed producing it. With all the good, ba sad times that we have shared, I hope they are all represented for you to remember.

Best of luck to everyone,

Susan Denise Parrish
Co-Editor of the 1990 yearbook
"The Lamp"

As the editor of the 1990 edition of the Lamp, I wish each and every reader of this book the best in life. Reach for goa may seem impossible and thirst for knowledge; because when the learning process ends so does living.

I anticipate that the pages of this book will reflect the days at Lasell; may it evoke fond memories. This yearbook w ated with the idea of being "The Best" in mind. Time spent working on the book was enjoyable, and yet nerve racking the final copy was sent, pride and accomplishment was evident.

I thank my extraordinary staff. Without each and every individual who helped out on the production of the Lamp, it o have never met final copy. Thank you, Kate O'Connor for all of your support. Thank you Christine Simpson for being o standing treasure. My last thank you is extended to Susan Denise Parrish, my co-editor and close friend. Throughout th I knew I could always count on you, as an ear that would listen, a shoulder to cry upon and a partner to finish the 1990 e Sue — You are the Greatest — Stay Gold!

As the members of the class of 1990 choose different paths remember the song sang by the Girl Scouts "Make new f but keep the old — one is Silver and the other is Gold!"

May your dreams come true,

Stormy Heather Horton
Co-Editor of the 1990 yearbook
